

Behavioral Health Licensed Clinician/CHT (EBCAP0358)

East Bay Community Action Program (EBCAP) is seeking a full time Licensed Clinician (non-independent or independent) for our new Community Health Team (CHT) located at 6 John H. Chafee Boulevard Newport, RI. We are seeking a highly professional and motivated individual who enjoys working with patients in a community health setting. Join our expanding dynamic team and work with health care workers in primary care practices in Newport County participating in the Rhode Island Care Transformation Collaborative and provide multidisciplinary team based care to referred patients.

Due to the importance of this health team to our Community, EBCAP is offering a sign on bonus of \$800.00.

The Licensed Clinician is a member of the CHT working with the Nurse CHT Manager, Community Health Workers, and Nurse Care Managers to support the behavioral health and social needs of the patients. The successful candidate will provide home, community and office based screenings and assessments, referrals, and care coordination as well as short term supportive counseling, utilizing evidence-based strategies for patients who require behavioral health services including but not limited to substance abuse and addictions services.

The successful candidate requires a minimum of a Rhode Island LCSW or independent licensure (i.e., LICSW, LMHC, LCDP). Bilingual Spanish a plus. Previous experience in an electronic medical record (EMR) preferred; however, would receive training in EBCAP's EMR which is NextGen.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time, mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEUs, employee assistance program, discounts to local businesses and services, such as Work Out World New England, YMCA/Newport, BJ's Wholesale Club, cellular services, and so much more!

EBCAP is an equal opportunity/affirmative action employer committed to providing a diverse work environment.

Dental Assistant (EBCAP0429)

East Bay Community Action Program (EBCAP) is seeking a full time Dental Assistant for a thriving practice at 19 Broadway in Newport, RI that serves both adults and children. Become part of our dental team and provide excellent and comprehensive care with a focus on quality, service and patient satisfaction.

The successful candidate will work with several dentists, dental hygienists, as well as with a Dental Mentor, and provide chair-side skills, observe and apply infection control and laboratory protocols, and assist with basic principles of taking x-rays.

The position requires a minimum of a High School Diploma/equivalent; prior experience as a Dental Assistant required or certification by the Dental Assistant National Board. This position is Monday through Friday, however, will work one evening. Bilingual (Spanish), is preferred.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEU's, employee assistance program, discounts to local businesses and services, such as Work Out World New England; YMCA/Newport; BJ's Wholesale Club, cellular services and so much more!

EBCAP is an equal opportunity/affirmative action employer committed to providing a diverse work environment.

Dental Practice Manager (EBCAP0420)

East Bay Community Action Program (EBCAP) has an opportunity for a highly qualified, self-motivated Dental Practice Manager to join our Dental Clinic located at 19 Broadway in Newport, RI. Our mission is to provide high-quality, comprehensive, and accessible health, dental, behavioral health, and human services to assist people to achieve their fullest potential. EBCAP's dental center has a designated HPSA score of 19 which is the highest in the state of Rhode Island. The Dental Manager will enthusiastically lead and manage the overall operations of the dental office ensuring fundamental systems and protocols are in place.

The successful candidate is responsible for the day-to-day administration functions, professional atmosphere, and clinical workflow that drive key quality performance metrics and patient satisfaction for the Dental Clinic, as well as mobile and/or community dental clinics. The ideal candidate will provide supervision and training to the administrative support staff and assist in dental team development, manage schedules to meet daily dentistry goals, motivate team members, and proactively seek ways to improve the Dental Clinic.

The position requires a Bachelor Degree in management, business/dental administration, or health care administration. The successful applicant must preferably have a minimum of two years medical and/or dental office management; supervisory experience required. The ideal candidate must be proficient with computer systems including Microsoft Office, however, will receive training in NextGen which is EBCAP's electronic medical record. He/She will be required to obtain "Super User" status for the EMR in order to train staff on day-to-day functions and updates, as well as ensure integrity and security of patient records. Bilingual preferred, however, not required.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time, mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEUs, employee assistance program, discounts to local businesses and services, such as Work Out World New England, YMCA/Newport, BJ's Wholesale Club, cellular services, and so much more!

EBCAP is an equal opportunity/affirmative action employer committed to providing a diverse work environment.

Dentist (EBCAP0405)

East Bay Community Action Program (EBCAP) has an opportunity for a RI-licensed Dentist to join our Dental Clinic located at 19 Broadway in Newport, RI. The Dentist would be part of our Accountable Care Organization, providing integrated services to the residents of East Bay. Our mission is to provide high-quality, comprehensive, and accessible health, dental, behavioral health, and human services to assist people to achieve their fullest potential. By joining EBCAP you are making a statement that you are committed to providing quality care. EBCAP's dental center has a designated HPSA score of 19 which is the highest in the state of Rhode Island and as such, offers very favorable consideration for dentists who look to receive the National Health Service Corp Loan repayment.

As a dentist with EBCAP, you can expect to see a steady flow of patients every day. Your daily procedures will include, but not limited to primary preventative services (plaque control, sealants, oral cancer screens, fluoride, etc.), secondary preventative services (temporary sedative fillings, permanent fillings, etc.), and tertiary preventative services (simple extractions, referrals to oral surgeons, and dentures, etc.).

In addition to a fixed dental clinic, we also have a thriving community based pediatric practice (staffed by our dentists on a rotating basis) which provides mobile dentistry at several sites (schools etc.) located in our service areas both in Newport County and East Providence. With spectacular coastal scenery, awe-inspiring architecture, a thriving waterfront downtown and welcoming hospitality; this is a unique opportunity to practice in a wonderful area.

In addition to required RI licensure, candidate must be familiar working with an electronic medical record, have current CPR at the healthcare provider level, possess DEA registration/RI Controlled Substance Certification, have access to transportation for periodic community travel, and pass a national background criminal investigation.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time, mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEUs, employee assistance program, discounts to local businesses and services, such as Work Out World New England, YMCA/Newport, BJ's Wholesale Club, cellular services, and so much more!

Independent Licensed Clinician – Kids Connect (EBCAP0400)

East Bay Community Action Program (EBCAP) is seeking a full time Independent Licensed Clinician for our Kids Connect Program at 8 John Chafee Boulevard in Newport, RI, which is the main facility of our Head Start/Early Head Start program. The child/family-focused clinician will assess and create holistic, therapeutic, integration assessments, and create and implement classroom plans for children eligible for the Kids Connect Program funded by the RI Department of Human Services. We need caring, competent, individuals to join our growing multidisciplinary team and make real differences in the lives of children and their families.

The successful candidate will provide Head Start Classroom Teachers and Teacher Assistants orientation to the individual integration plans, while also providing them with supervision (direct observation, modeling of intervention techniques, etc.) to carry out the plans. The successful candidate will provide office-based and home-based visits with children and families to assist parents to continue positive progress at home through strengthened child/family communication and interventions.

Rhode Island Independent licensure (i.e., LICSW, LMHC) is required. This position is Monday through Friday and no weekends! Previous experience with family dynamics, parenting skills and early childhood development preferred.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (currently BCBSRI), free convenient parking, supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEU's, employee assistance program, discounts to local businesses and services, such as Work Out World New England; YMCA/Newport; BJ's Wholesale Club, cellular services and so much more!

Nurse Practitioner/Clinical Nurse Specialist (APRN/CNS) (EBCAP0424)

East Bay Community Action Program (EBCAP) has up to two immediate openings for Nurse Practitioner/ Psychiatric Clinical Nurse Specialists (APRN/CNS), depending upon clinical specialties, who are compassionate, enthusiastic and skilled to provide office-based services at our Health Centers at 100 Bullocks Point in East Providence and 6 John Chafee Boulevard in Newport, RI. Our mission is to provide high-quality, comprehensive, and accessible health, dental, behavioral health, and human services to assist people to achieve their fullest potential. By joining EBCAP you are making a statement that you are committed to providing quality care.

The Nurse Practitioners (APRN/CNS) would be part of our Accountable Care Organization, providing integrated services including, but not limited to: psychiatric assessment, medication evaluation and monitoring, and psycho-education.

If you have experience and competency in both age groups/populations:

- Full Time Position (32 hrs/wk) Adult/Child APRN/CNS: Competent to provide care for both adults and children. Previous experience treating adults with major psychiatric syndromes (i.e. schizophrenia and other psychotic disorders, affective disorders, anxiety disorders, dementia/delirium, grief, personality disorders, etc.), substance abuse, trauma, suicide prevention, family systems, gender identity issues, impact of medical conditions on psychiatric conditions, etc. Previous experience treating children/adolescents regarding development, family systems, substance abuse, gender identity issues, major syndromes including ADD/ADHD, conduct disorder, oppositional defiance, affective syndromes, anxiety disorders, suicide prevention, childhood abuse and neglect, Autism Spectrum Disorder, and trauma.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEU's, employee assistance program, discounts to local businesses and services, such as Work

Out World New England; YMCA/Newport; BJ's Wholesale Club, cellular services and so much more!

OR, if you specialize with a specific age/population:

- Adult APRN/CNS Part Time Position (16 hrs/wk): Previous experience treating adults with major psychiatric syndromes (i.e. schizophrenia and other psychotic disorders, affective disorders, anxiety disorders, dementia/delirium, grief, personality disorders, etc.), substance abuse, trauma, suicide prevention, family systems, gender identity issues, impact of medical conditions on psychiatric conditions, etc.
- Child APRN/CNS Part time Position (16 hrs/wk): Previous experience treating children/adolescents regarding development, family systems, substance abuse, gender identity issues, major syndromes including ADD/ADHD, conduct disorder, oppositional defiance, affective syndromes, anxiety disorders, suicide prevention, childhood abuse and neglect, Autism Spectrum Disorder, and trauma.

For Part Time Employees Working 16 – 29 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes up to 3% company matching 403(b) retirement plan, generous paid time off that includes vacation/holidays/sick time, voluntary medical and dependent care flexible spending accounts, mileage reimbursement, opportunities for center-paid training/CEU's, employee assistance program, discounts to local businesses and services, such as Work Out World New England; YMCA/Newport; BJ's Wholesale Club, cellular services, and so much more!

All positions require Rhode Island licensure as an Advanced Practice Registered Nurse/Clinical Nurse Specialist. The successful candidate will have experience in an electronic medical record (EMR), however, would receive training in EBCAP's EMR, which is NextGen.

Nurse RN Care Manager (EBCAP0433)

East Bay Community Action Program (EBCAP) is seeking two full time Nurse Care Managers for our Health Center at 6 John Chafee Boulevard in Newport, RI. We are seeking highly professional and motivated individuals who enjoy working with a multi-disciplinary team in a community health setting.

The successful candidates provide comprehensive screenings, assessments, care coordination services, disease education and self-management support to specific patient populations. Nursing care is performed in both office-based and community-based settings, depending on the needs of the patient. Duties include, but are not limited to: provide ongoing health assessment (identify health issues, behaviors, needs, barriers, etc) and all other assessments which are appropriate for the nursing scope of practice; collaborate and regularly liaise with internal/external providers, internal/external pharmacies, internal/external labs, and community agencies, such hospitals, long-term care facilities, and home health representatives based on consumer's health and wellness needs; record and administer medications prescribed by the team physician/psychiatrist; evaluate and chart medication effectiveness, complications, and side effects; complete Prior Authorization procedures based on patient's insurance requirements as needed. He/she will also identify "high risk" patients, and utilizes a multi-disciplinary Primary Centered Medical Home (PCHM) care team approach to address opportunities to plan and coordinate care, as well as arrange additional internal/external support services, such as contact with Health Advocates, to treat the patient holistically.

The successful candidates must have a minimum of an Associates' Degree in Nursing or equivalent, and licensed as a Registered Nurse (RN) by the RI Department of Health. Two or more years of experience in a community health setting, acute care, or emergency/urgent care working with primary care providers to coordinate care and disease management required. Previous experience in an electronic medical record (EMR) preferred; however, training is provided in EBCAP's EMR which is NextGen.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time, mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEUs, employee assistance program, discounts to local businesses and services, such as Work Out World New England, YMCA/Newport, BJ's Wholesale Club, cellular services, and so much more!

Psychiatrist (EBCAP0421)

East Bay Community Action Program (EBCAP) has an immediate opening for a Psychiatrist who will provide clinical leadership, consultation and direct care services to clients of the Assertive Community Treatment (ACT) team at our location at 2 Old County Road in Barrington, RI. The Psychiatrist would be part of our multidisciplinary treatment team model providing psychiatric assessment, medication evaluation and monitoring, and psycho-education to clients, and human services to assist people to achieve their fullest potential. By joining EBCAP you are making a statement that you are committed to providing quality care.

The successful candidate may also act as a liaison and coordinate care with other medical professionals, such as primary care physicians, to ensure the highest quality of care for clients in accordance with EBCAP's expectations and professional standards.

Rhode Island licensure as an MD/DO required. DEA Certification and enhanced licensing to prescribe Buprenorphine/Suboxone required. Several years working with dually diagnosed clients preferred. This position is 8 hours on Fridays. The successful candidate will have experience in electronic medical record (EMR), however, would receive training in EBCAP's EMR, which is NextGen.
