Thank you for your interest in employment opportunities at East Bay Community Action Program.

EBCAP is an equal opportunity/affirmative action employer committed to providing a diverse work environment.

East Bay Community Action Program (EBCAP) has an opportunity for a part time **RI-licensed Physician** to join our Health Center located at 6 John H. Chafee Boulevard in Newport, RI. The Physician would be part of our Accountable Care Organization, providing integrated services to the residents of East Bay. Our mission is to provide high-quality, comprehensive, and accessible health, dental, behavioral health, and human services to assist people to achieve their fullest potential. By joining EBCAP you are making a statement that you are committed to providing quality care.

As a family physician with EBCAP, you will provide direct medical services including but not limited to a clinical focus on health promotion, disease prevention and routine health maintenance visits and acute care for all age groups. You will educate patients regarding care, diagnoses, treatment plan, medications and prognosis. You will obtain specialty physician consultation for complicated patients or patients who are assessed to be outside the scope of EBCAP's practice, and supervise allied health professionals (physician assistant, nurses, medical assistants, etc.) of the care team.

The position requires an MD (allopathic) or DO (osteopathic) degree, and completion of an accredited residency in Family Medicine. Licensure through the RI Department of Health, possess DEA registration/RI Controlled Substance Licensure, complete all privileging and credentialing requirements, and possess Board Certification in Family Medicine by the American Board of Family Medicine.

For Part Time Employees Working 16 – 29 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes up to 3% company matching 403(b) retirement plan, generous paid time off that includes vacation/holidays/sick time, voluntary medical and dependent care flexible spending accounts, mileage reimbursement, opportunities for center-paid training/CEU's, employee assistance program, discounts to local businesses and services, such as Work Out World New England; YMCA/Newport; BJ's Wholesale Club, cellular services, and so much more!

EBCAP is an equal opportunity/affirmative action employer committed to providing a diverse work environment.

East Bay Community Action Program (EBCAP) is seeking a full time **Registered Nurse** for the 6 John Chafee Boulevard in Newport, RI. We are seeking a highly professional and motivated individual who enjoys working with clients in a community health setting. Join our expanding dynamic multidisciplinary team and provide comprehensive patient care using a care team model.

The Registered Nurse will warmly greet the patient and provide a wide variety of skilled office-based nursing services in support of patient treatment plans and documented orders by physicians and/or advance practice registered nurses within the scope of license and experience. He/she will conduct telephone triage to determine patient need. He/she also works

collaboratively with internal and external providers, pharmacies, laboratories, and community agencies (i.e., hospitals, long term care facilities) for our clients' health and wellness.

The successful candidate will have a minimum of an Associates' Degree in Nursing or equivalent and be licensed as a Registered Nurse by the Rhode Island Department of Health. Previous experience in an electronic medical record (EMR) preferred; however, would receive training in EBCAP's EMR which is NextGen. The hours for the position are Monday through Friday, four hours each day.

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time, mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEUs, employee assistance program, discounts to local businesses and services, such as Work Out World New England, YMCA/Newport, BJ's Wholesale Club, cellular services, and so much more!

Thank you for your interest in employment opportunities at East Bay Community Action Program.

EBCAP is an equal opportunity/affirmative action employer committed to providing a diverse work environment.

East Bay Community Action Program (EBCAP) is seeking a full time (30 hrs/wk) **Nurse Care Manager** for our Health Centers in Riverside and Barrington, RI. We are seeking highly professional and motivated individual who enjoys working with a multi-disciplinary team in a community health setting.

The successful candidate will provide comprehensive screenings, assessments, care coordination services, disease education and self-management support to specific patient populations. Nursing care is performed in both office-based and community-based settings, depending on the needs of the patient. Duties include, but are not limited to: provide ongoing health assessment (identify health issues, behaviors, needs, barriers, etc) and all other assessments which are appropriate for the nursing scope of practice; collaborate and regularly liaise with internal/external providers, internal/external pharmacies, internal/external labs, and community agencies, such hospitals, long-term care facilities, and home health representatives based on consumer's health and wellness needs; record and administer medications prescribed by the team physician/psychiatrist; evaluate and chart medication effectiveness, complications,

and side effects; complete Prior Authorization procedures based on patient's insurance requirements as needed. He/she will also identify "high risk" patients, and utilizes a multi-disciplinary Primary Centered Medical Home (PCHM) care team approach to address opportunities to plan and coordinate care, as well as arrange additional internal/external support services, such as contact with Health Advocates, to treat the patient holistically.

The successful candidate must have a minimum of an Associates' Degree in Nursing or equivalent, and licensed as a Registered Nurse (RN) by the RI Department of Health. Two or more years of experience in a community health setting, acute care, or emergency/urgent care working with primary care providers to coordinate care and disease management required. Previous experience in an electronic medical record (EMR) preferred; however, training is provided in EBCAP's EMR which is NextGen. The position is 24 hours at the Bullocks Point location (Riverside) and eight hours at the Old Country Road location (Barrington).

For Full Time Employees Working 30 – 40 hours per week, EBCAP provides a comprehensive compensation and benefits package that includes heavily subsidized medical and dental insurance plans (BCBSRI), supplemental vision insurance, voluntary medical and dependent care flexible spending accounts, up to 3% company matching 403(b) retirement plan, employer-paid life insurance & long term disability, generous paid time off that includes vacation/holidays/personal days/sick time, mileage reimbursement, tuition reimbursement, opportunities for center-paid training/CEUs, employee assistance program, discounts to local businesses and services, such as Work Out World New England, YMCA/Newport, BJ's Wholesale Club, cellular services, and so much more!
